Dear Oladiran and team,

Please see in the attached file, the updated version of the vehicle delivery Calendar/Requirements for our project.

There remain a few deliveries/deployments unconfirmed in the table at this stage, however these will be finalized shortly

You will also notice that I have added a new request for 5 minibus rental on 25 January. This will be for 1 day only, transporting the LTOs (40 LTOs in total) to a site outside of Abuja

Many thanks Oladiran. Please let me know if we need to discuss any issues in more detail

See table attached

Kind regards

Terry
